

UTILITY ECONOMIC
DEVELOPMENT ASSOCIATION

GET CONNECTED WITH UEDA Utility Membership

The **Utility Economic Development Association (UEDA)** is a non-profit organization of investor-owned utility economic development professionals and allies in the US and Canada. It is dedicated to meeting the unique needs of its members through ongoing **economic development education** and **networking programs**, and also by serving as an information source and conduit between **UEDA** members and site selectors.

Utility Members are economic development professionals with investor-owned electric and/or gas utilities who are dedicated to meeting corporate goals through regional job creation, business growth, improving the environment and promoting economic vitality in their service areas.
